Re Docket No. 98N-1265

Dear Sir:

As an informed consumer, I have been prescribed medication through a compounding pharmacy. It is not available at my local Wal-Mart or other pharmacy. I am distressed that under this new ruling that compounding pharmacies will no longer be able to fill my prescription, as it is not in my state.

This MOU limits and restricts the practice of medicine and pharmacy. Why this should be is a puzzlement! It seems the FDA is governing by fiat, into areas that are already regulated. Please amend this MOU so I can continue to receive my prescription as ordered by my medical doctor.

Sincerely,

*Katherine J Roth*
